1. Access https://militarycac.com/avd.htm

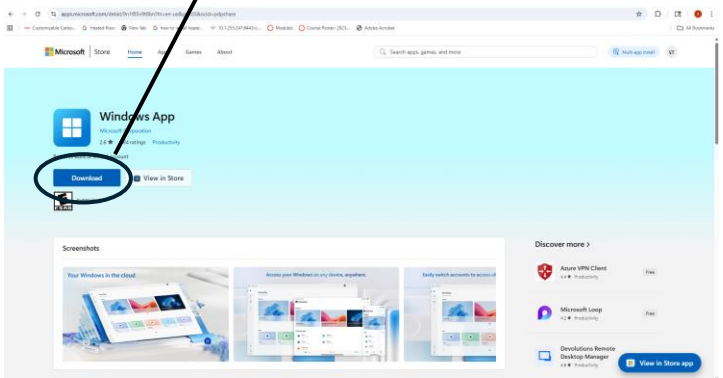

2. Select dhaavd

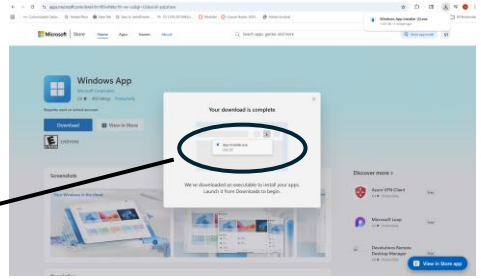

3. Select Windows App

4. Download Windows App

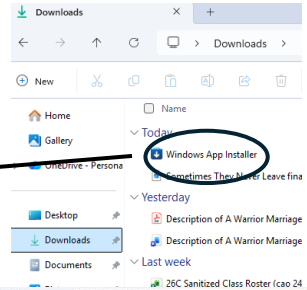

This often takes a few minutes, so be patient.

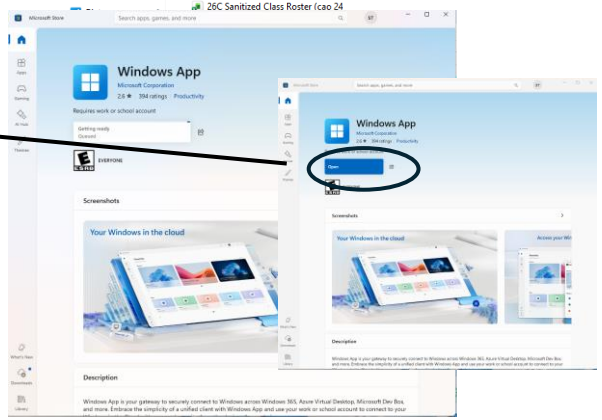

5. If App Installer opens, select it and wait for it to install.

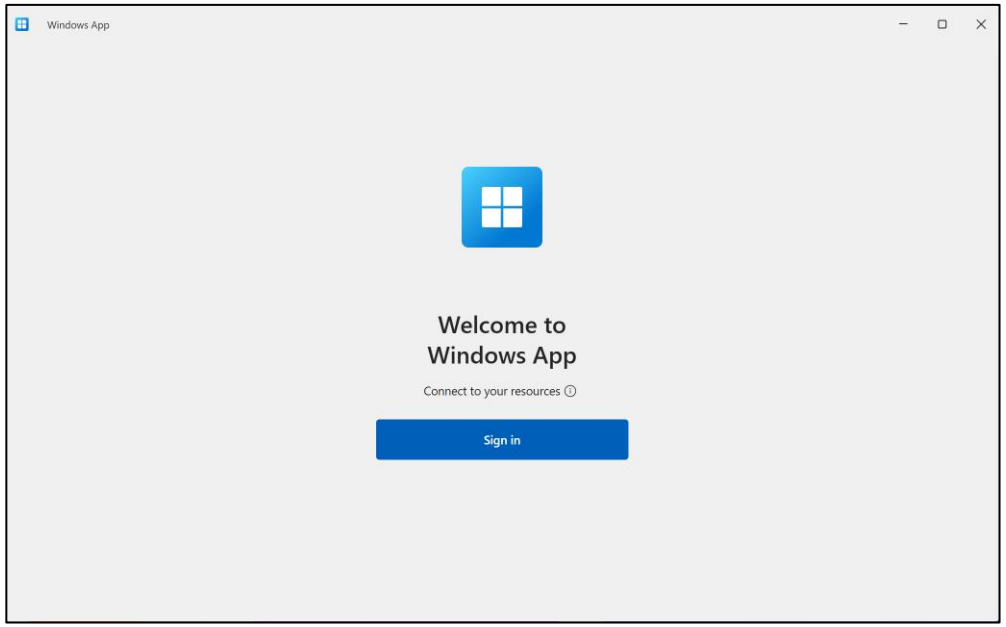

If App Installer does not open go to your downloads and open the App Installer from there.

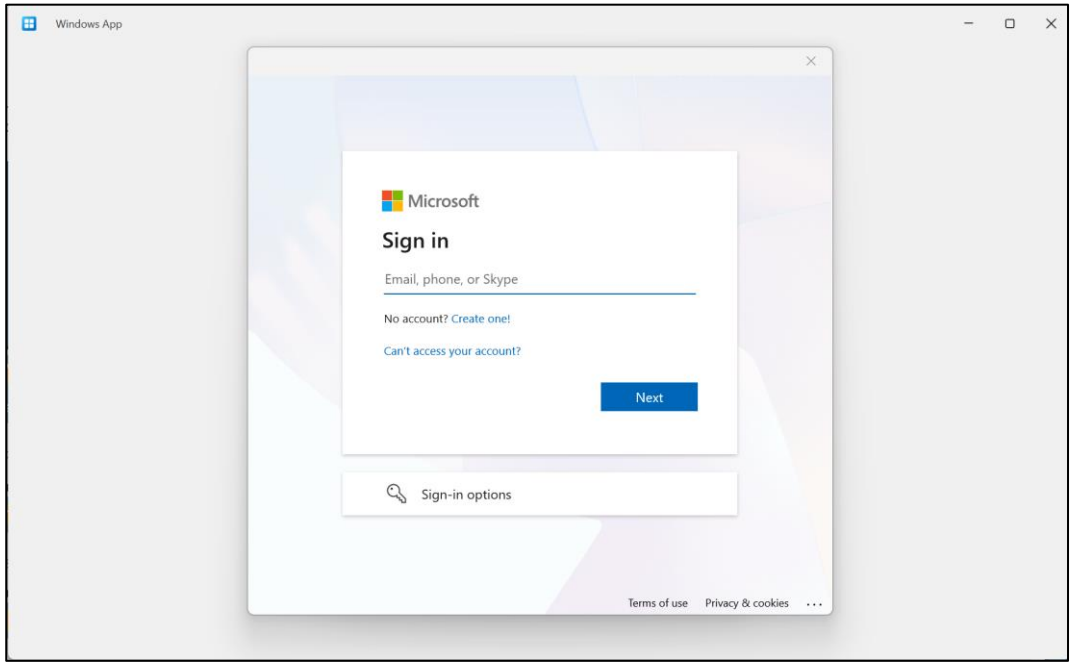

If all else fails, go to the app store and download the App Installer from there. Select Open when it becomes available

6 Select Sign in

7. Use your CAC to login
